Even where no particular disorder is felt, people enjoy better health, and live longer, for cleaning the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the, reputation of accomplishing these ends. But the world has been egregiously decrived by preparations of it, partly because the drug ne has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it. contain but little of the virtue of Sarsaparilla. or any thing else. During late years the public have been mis-
